

ELEMENTARY SCHOOL  
CODE OF STUDENT CONDUCT

©2019 WORLD IN JERSEY DISTRICT

**2023-2024**

September 2023

Dear Students, Parents and Guardians:

**Who** we are as individuals makes up **what** we are together, whether family, school, community, or nation. Elementary students in the Glen Rock Public Schools are expected to follow the golden rule:

## TREAT OTHERS AS YOU WOULD LIKE TO BE TREATED

We believe that elementary school is a time to grow and learn from mistakes. We emphasize learning over consequences and are guided by a developmentally appropriate philosophy. We have established the **R.O.C.K.S.** program as an overall framework for our elementary schools. We know that we all learn best and most fully in an atmosphere where the opinions and rights of all are honored and respected. Therefore, our core values are:

- **RESPECT**
- **OPTIMISM**
- **CITIZENSHIP**
- **KINDNESS**
- **SELF-ESTEEM**

We believe in your potential, your ability to learn, the talents you have to share, and the contribution you can make to our schools and to our future as a nation. The following sections will further outline our most important guidelines for making your school life most productive and positive.

### Philosophy

We, the members of the Glen Rock School Community, students, parents, and educators believe that every child must be given full opportunity consistent with the safety and well-being of other students and faculty, to acquire a personal code of behavior through instruction, example and experience. We believe that discipline should be developmentally appropriate and a learning experience. Behavior that is disruptive or inappropriate to the well-being of an individual or group in a school requires disciplinary measures to help foster the development of self-discipline on the part of the student. It should be a continuous process through all grades K-12. It should be fair and respect the self-esteem of children.

The Board of Education authorizes the Superintendent of Schools to develop policies, rules, and regulations consistent with N.J.S.A. 18-A:37-2 and Board Policy 5113 governing discipline in Glen Rock Public Schools. Such policies, rules and regulations have been developed in connection with the professional staff, students and community members

### Overview

Many policies and regulations govern the operation of a school district. This booklet will provide students and parents/guardians with an overview of important school and district policies and procedures, including student and parent responsibilities. These important policies and school regulations have been summarized in this reading, while full detailed policies can be found on the district website at [www.glenrocknj.org](http://www.glenrocknj.org)

Parents/Guardians and students are to read and discuss each segment of the Student/Parent Handbook to gain a complete understanding of what is expected of them and what they can expect of the Glen Rock Elementary Schools. However, any failure to do so will not excuse pupils or their parents/guardians from compliance with the standards, expectations, and penalties set forth in this Code. It is important to note that the policies, as set forth, are to assist students with the establishment of the boundaries between acceptable and unacceptable behavior. It is to be clearly understood that disciplinary action is the direct result of a student's misconduct. As required, certain infractions will be reported to local enforcement agencies. In addition to the disciplinary consequences, a student may receive support services. All students, parents and staff are subject to these guidelines.

### Conduct and Discipline

(See Board of Education Policy 5131 for the complete text of the **Harassment Intimidation and Bullying Policy**)
